EDUCATION

California State University Monterey Bay

B.S. Computer Science, Concentration in Data Science

Fall 2024 - Spring 2027

(expected)

- Dean's List Spring 2025, Fall 2025, Spring 2026

San Francisco State University

Partial B.S. Coursework completed

Fall 2018 - Fall 2020

SKILLS

- Programming: Python, Java, C++, Kotlin, Javascript, Typescript
- Libraries & Tools: Git, Numpy, Pandas, Matplotlib, Seaborn, Scikit-learn, TensorFlow, JUnit, SQL, Jupyter
- Languages: Fluent Portuguese

WORK EXPERIENCE

California State University

Jan. 2025 – Present

Teaching Assistant (Intro to Computer Science & Data Structures)

- Guided 40+ students in computer science fundamentals and data structures through weekly office hours and feedback sessions. Organized meetings with struggling students and created individualized plans that improved overall class performance.

Programming Team

May 2025 – Current

Co-President

- Led 4-hour weekly summer coding sessions for 15+ members, covering algorithms, data structures, and time-complexity analysis. Continued leadership into the academic year, organizing 2-hour weekly workshops and 5-hour ICPC (International Collegiate Programming Competition) preparation sessions.

Great Scholars

Dec 2025 – Current

Research Student

- Accepted into the program with a \$25,000 grant. The program entails taking classes, workshops, and writing sessions in order to prepare for a summer research internship at UC Santa Cruz. Following the internship, I will be continuing research online and guiding new students in the program.

Recreational Equipment Incorporated (REI)

Feb. 2022 – Oct. 2025

Full Time Sales Associate

- Fitted customers for footwear tailored to medical, athletic, and occupational needs through expert technical assessment and personalized recommendations.
